

MASARYK UNIVERSITY SUMMER SCHOOLS

| SUMMER 2020 |

OUR SERVICES

Masaryk University provides full academic and social support to students. Our state of the art classrooms and libraries enable students to make the most of their academic studies, while the city of Brno allows students to experience Czech culture in an international setting.

All of our programs offer 24/7 support to students, and organize activities to highlight Czech and local culture.

Masaryk University offers two types of summer schools (1) offered through the Centre for International Cooperation and (2) offered through the different faculties at the university. These differences will be highlighted in this newsletter.

Many programs additionally travel to Prague, Budapest, and Vienna during their time here, enabling students to experience the best Central Europe has to offer!

LAB INTERNSHIPS

STEM students intern for 250 hours in universities labs with projects ranging from chemistry to biology to anthropology.

SOCIAL SCIENCES

Numerous of our summer schools highlight the unique history (politically and economically) that Central Europe has to offer.

MEDICAL SUMMER SCHOOL

Gain hands on experience of what medical school is all about over three weeks, Anatomy, practical Physiology Labs & Clinical skills in Acute Patient.

All programs run through the Centre for International Cooperation, as well as many of the faculty programs take trips to Prague, Budapest and Vienna. These excursions are not only fun, but also academic with site visits in each city to expand on the lessons in Brno.

Sample site visits include: Radio Free Europe, UN (in Vienna), OPEC, Hungarian Parliament, Bafa, among others tailored to the program.

Programs listed with an * are organized through the Centre for International Cooperation.

“The highlight was definitely meeting the people and the staff who welcomed us with open arms. We wouldn't have had enjoyed ourselves so much if you weren't there. A big thanks to the student assistants and the teaching staff!”

- Shivaanya

TOP REASONS TO SPEND A SUMMER IN BRNO

1

Relax, paddle board or swim at the lake.

2

Experience local culture prepared for international.

3

The city is covered by places to eat and hang with friends.

4

Meet people from all over the world!

A sunset over a lake with people sitting on the shore in the foreground. The sky is filled with colorful clouds in shades of orange, pink, and blue. The water reflects the colors of the sky. In the foreground, the silhouettes of several people are visible, sitting on the grassy shore and looking out at the water.

SUMMER 2020 OFFERINGS

*Programs listed with an * are organized through the Centre for International Cooperation. All programs link to their webpage for more information.*
